HCS at GITEX Dubai 2003 IT Fair

HCS, the only Turkish manufacturer of state-of-the-art LAN Cabling Systems, will keep its yearly tradition by participating at the GITEX 2003 - the most significant IT event in the Middle East.

GITEX 2003 will be held from October 19th to 23rd at the Dubai World Trade Center (DWTC) complex, Dubai International Exhibition Center, United Arab Emirates.

GITEX 2003 features Telecommunications, Computing, Communications Systems & Applications, Networking and Internet Technologies, and it is the only notable event aimed specifically at industry professionals in the Gulf region.

HCS can be found at Hall 7 Stand No. Q7-2.

HCS will present state-of-the-art Category 6 cabling systems, including the only presently available ETL Verified Category 6 shielded components, aimed to support the future 10 Gigabit Ethernet protocol on copper.

Detailed information on the GITEX 2003 can be found at <http://www.gitex.com/main.html> .

For more information on HCS please browse www.hescs.com, which includes the [HCS Online Catalog](#) or contact our technical service centers in Turkish or in English ([Istanbul Center](#)).

See you in GITEX 2000, Hall 7, Stand No. Q7-2.
