HCS CPR Approved Cables

HCS is officially approved to supply copper communication cables (CCC) according to EU Regulation No. 305/2011 of the European Parliament and of the Council of 9 March 2011 laying down harmonized conditions for the marketing of construction products, better known as CPR, Construction Products Regulation. Detailed information can be obtained in this link:

<http://ec.europa.eu/growth/single-market/european-standards/harmonised-standards/construction-products>

Class Cca cables are certified by official certificates provided for each group of similar constructions by a Notified Body (NB).

Class Dca cables are recognized by DoP (Declaration of Performance) issued by the manufacturer for each group of similar constructions, based on formal NB test report.

All HCS certificates (Class Cca cables) and DoP (Class Dca cables) are available online at
