

## GENERAL PROPERTIES

|                           |   |
|---------------------------|---|
| Material of Construction  | 16-gauge steel with powder-coat finish.                   |
| Paint and Color           | Powder paint finish, Black (Ivory available upon request) |
| Connector Capacity        | 36, 48, 72, 96, 144, 192 or 288 ports.                    |
| Splice tray Capacity      | 12-36   |
| Environmental Conditions  | -40 to +60C at 0-90% RH (Non condensing)                  |
| Packaging                 | One unit per box.   |
| Storage Temperature       | -20 to +80C   |
| Non Halogen Constructions | Available upon request.                                   |

## ORDERING INFORMATION

| HCS P/N      | Description   | Adepter Plate Acceptance | Size mm           | Units |
|--------------|---|--------------------------|-------------------|-------|
|              |   |                          | H x W x D         |       |
| PFO-07P01-2U | High capacity FO Rack Mount 19" Panel 36/48/72 fiber    | 6                        | 82.5x431.8x355.6  | 2U    |
| PFO-07P02-2U | High capacity FO Rack Mount 23" Panel 36/48/72 fiber    | 6                        | 82.5x431.8x355.6  | 2U    |
| PFO-07P03-3U | High capacity FO Rack Mount 19" Panel 72/96/144 fiber   | 12                       | 131.8x431.8x355.6 | 3U    |
| PFO-07P04-3U | High capacity FO Rack Mount 23" Panel 72/96/144 fiber   | 12                       | 131.8x431.8x355.6 | 3U    |
| PFO-07P05-7U | High capacity FO Rack Mount 19" Panel 144/192/288 fiber | 24                       | 293.7x431.8x355.6 | 7U    |
| PFO-07P06-7U | High capacity FO Rack Mount 23" Panel 144/192/288 fiber | 24                       | 293.7x431.8x355.6 | 7U    |

## ORDERING INFORMATION

| HCS P/N   | Description                                    | Adepter Plate Acceptance | Ports Per Plate | Size mm |
|-----------|--|--------------------------|-----------------|---------|
| PFO-07000 | Adapter Plate - Blank                          | N/A                      | N/A             | 125x30  |
| PFO-07010 | Adapter Plate for ST/FC Simplex Connectors     | 6                        | 6               | 125x30  |
| PFO-07011 | Adapter Plate for ST/FC Simplex Connectors     | 8                        | 8               | 125x30  |
| PFO-07021 | Adapter Plate for SC Simplex Connectors        | 6                        | 6               | 125x30  |
| PFO-07022 | Adapter Plate for SC Simplex Connectors        | 8                        | 8               | 125x30  |
| PFO-07023 | Adapter Plate for SC Duplex Connectors         | 3                        | 6               | 125x30  |
| PFO-07024 | Adapter Plate for SC Duplex Connectors         | 4                        | 8               | 125x30  |
| PFO-07025 | Adapter Plate for SC Duplex Connectors         | 6                        | 12              | 125x30  |
| PFO-07031 | Adapter Plate for LC Simplex Connectors        | 6                        | 6               | 125x30  |
| PFO-07032 | Adapter Plate for LC Simplex Connectors        | 8                        | 8               | 125x30  |
| PFO-07033 | Adapter Plate for LC Simplex Connectors        | 12                       | 12              | 125x30  |
| PFO-07034 | Adapter Plate for LC Duplex Connectors         | 3                        | 6               | 125x30  |
| PFO-07035 | Adapter Plate for LC Duplex Connectors         | 4                        | 8               | 125x30  |
| PFO-07036 | Adapter Plate for LC Duplex Connectors         | 6                        | 12              | 125x30  |
| PFO-07041 | Adapter Plate for MT-RJ Duplex Connectors      | 3                        | 6               | 125x30  |
| PFO-07042 | Adapter Plate for MT-RJ Duplex Connectors      | 40                       | 8               | 125x30  |
| PFO-07043 | Adapter Plate for MT-RJ Duplex Connectors      | 6                        | 12              | 125x30  |
| KFO-07036 | Splicing Kit for Rack Mount Panel - 36 Fibers  | N/A                      | N/A             | N/A     |
| KFO-07048 | Splicing Kit for Rack Mount Panel - 48 Fibers  | N/A                      | N/A             | N/A     |
| KFO-07072 | Splicing Kit for Rack Mount Panel - 72 Fibers  | N/A                      | N/A             | N/A     |
| KFO-07096 | Splicing Kit for Rack Mount Panel - 96 Fibers  | N/A                      | N/A             | N/A     |
| KFO-07144 | Splicing Kit for Rack Mount Panel - 144 Fibers | N/A                      | N/A             | N/A     |
| KFO-07192 | Splicing Kit for Rack Mount Panel - 192 Fibers | N/A                      | N/A             | N/A     |
| KFO-07288 | Splicing Kit for Rack Mount Panel - 288 Fibers | N/A                      | N/A             | N/A     |
