

Description

HCS Butt Style Splice Case Enclosures Type VFO-51000 Series accommodate up to 144 fibers, utilizing one or two of the compact universal 12-fiber splice tray cassettes. Designed for ease of installation and excellent cable management, the VFO-51500 Series products are the most economical low count fiber splice cases in the industry. HCS DataLight components are supported by the Century™ Lifetime Warranty and by the DoubleSafe™ QA program as a part of the complete HCS cabling system.

Applications

- ☑ Premise environments
- ☑ Direct equipment termination
- ☑ Low fiber counts such as HFC nodes & FTTC ONU's.
- ☑ Building interface and Campus/LAN applications

Qualifications and Approvals

HCS DataLight components are supported by the Century™ Lifetime Warranty and by the DoubleSafe™ QA program as a part of complete HCS cabling system.

Benefits & Features

- ➔ Pole/wall mount bracket included
- ➔ Built-in integral fiber management
- ➔ Unique modular splice tray cassette design
- ➔ Heat-shrink ports
- ➔ Open-able for re-entry
- ➔ Complete installation kit factory provisioned
- ➔ Universal splice holder clip for fusion or mechanical splices
- ➔ IP 68 Rating
- ➔ Exceptional material properties and design - Providing a unique Century™ Lifetime Warranty.
- ➔ Detailed installation manual in English and Turkish - Providing clear and comprehensive instructions.
- ➔ Robust and installer-friendly design - Providing reduced installation and operating costs.
- ➔ Unique DoubleSafe™ Quality Assurance Program - Providing lowest rejection rate available.
